Ocean Grove Parents

Hello Ocean Grove parents and students!

We are excited to be vendors for your organization.

If you're interested in using Under the Son for your student's please follow the following steps

1. Create an account for yourself on our booking website (<https://underthesonhorsemanship.ecpro.us/index>)
2. Create a Rider account for your child
3. Send a PO out for your first lesson (does not need to have a specific date) and email us directly that you've filed it along with the names on the account you've created with us
4. Once we receive the PO, we can create a code for you to schedule lessons through us without paying out of pocket
5. For multiple riders, we suggest two private lessons at the same time with two different instructors (if this availability isn't open, please email us)
6. If the first lesson goes well, coordinate with your instructor on a regular lesson slot, and book them on EC Pro using your discount code provided
7. Turn in your purchase orders that coordinate with the dates you've selected on our booking website using your discount code, and enjoy the ride!
